

## HEDS Sexual Assault Campus Climate Survey 2022 Undergraduate Frequency Report Pace University

**Released 07/1/2022**

This report contains data on the responses of undergraduate students to each question on the HEDS Sexual Assault Campus Climate Survey.

Each data tab compares your students who took the survey during the 2021–2022 academic year to students at small institutions and large institutions that participated in the survey in the 2017–2018, 2018–2019, 2019–2020, or 2020–2021 academic years.

Schools with fewer than 4,000 undergraduate students are in the small institution group, and schools with 4,000 or more undergraduate students are in the large institution group. We have combined institutions that do and do not belong to HEDS in the data.

## Details about Incidents of Sexual Assault

Students who were sexually assaulted were asked a series of questions about details of the assault. These questions appear on the "Details about Incidents of Sexual Assault" tab. Students who were sexually assaulted multiple times were asked to focus on only one incident of sexual assault when answering these questions. The majority of victims of sexual assault experienced more than one assault, and information on this tab reflects the one assault they chose to describe, not all the incidents they experienced.

Students who answered "One person" in Q17—"How many people sexually assaulted you?"— saw Branch A. Students who answered "More than one person" or "I am not sure" in Q17, or who saw Q17 but did not respond, saw Branch B. Questions in Branch A and B are identical, but sometimes Branch B employs the plural form. We have combined questions from Branches A have combined **assault, & 0**
