

If you are granted reasonable meal plan accommodations, you will receive a letter (via email) from the Student Accessibility Services confirming the granted accommodation(s).

Please note that

Additional documentation is required for academic and housing accommodations requests and will be reviewed separately from requests for meal plan accommodations. Please contact SAS staff for any questions about this process.

If the request is not granted, you will receive an email from SAS with details of why the request was not granted and options for next steps, including the Appeals Process. If you have questions regarding the outcome of your determination, or you would like to review documentation, you may email the office to schedule an appointment with SAS staff at SASNYC@pace.edu.

Please complete this form, in its entirety, with details regarding your request for disability meal plan accommodations.

Submit this form, along with your medical documentation to the Student Accessibility Services via scan/email (SASNYC@pace.edu).

Please be in touch with the Student Accessibility Services if you have any questions.

Incoming undergraduate / Undergraduate / Incoming graduate / Graduate / Transfer

1st year 2nd year 3rd year 4th year

Did you have meal plan accommodations at your previous institution? If so, please indicate granted accommodations. A letter from the disability services office at your previous institution must be submitted in addition to this application and medical documentation.
